

Lego EV3 Robotics Lab

Robotics is the way of the future that is here today! Robots do surgery, build cars, and assist us with our complex modern lives. This one-day robotics workshop presented by Iowa State University Extension and Outreach will introduce you to these amazing machines as you learn to engineer a robot to complete different challenges. The registration fee includes lunch and a t-shirt. Parents and family members are invited to join us at 2:15 for a fun demonstration of what the students have learned.
